*The Left Hand of
Darkness*

COMMONPLACE · READ 2026-09

Truth is a matter of the imagination.
The soundest fact may fail or prevail in
the style of its telling: like that singular
organic jewel of our seas, which grows
brighter as one woman wears it and, worn
by another, dulls and goes to dust. Facts
are no more solid, coherent, round and
real than pearls are. But both are sensitive.
